## ÉCLAIRS

### **DÉLICE ROSE À LA FRAMBROISE**

**£6.3**

SPANISH RASPBERRY PINK

For our most delicate dessert, we picked sun-soaked raspberries from Southern Europe to create a beautifully pink éclair that is light and fruity, with a slight acid undertone.

A touch of rose water is added to the glazing to bring an exotic touch to our signature creation.

### **TRÉSOR À LA NOISETTE**

**£7**

HAZELNUT & MILK CHOCOLATE TREASURE

Our dedication to chocolate knows no boundary. This éclair has it all: a smooth milk chocolate crème patissiere created with a blend of the finest quality chocolates, a homemade praline from fresh hazelnuts, and bits of roasted almonds for added texture.

The outside is coated in a layer of milk chocolate and bits of roasted almonds, and is painted in gold dust for the perfect dinner table dessert centrepiece. It is simply irresistible.

### **RED LOVE**

**£7**

RASPBERRY MACARON ÉCLAIR

Inspired by Love and Éclairs, two things that no one should live without, our Red Love signature éclair is a layered masterpiece.

It is filled with a combination of a light yet intense Tahitian vanilla cream and a refreshing raspberry purée beautifully textured with raspberry seeds. It is then delicately covered with a raspberry-flavoured éclair-shaped macaron. A feast for both the eyes and the palate.
